

Aug 12th

- 1/2 Raining in the morning.
Set two shoes on Charlie
not doing much - Rose
1/3 Pa and worked in the field
and Bill Graham and
Jack Street offered their
services in PM and were
accepted. We put up 988
Sheaves of wheat in 1793
on the upper end of Big field
and 196 on the lower end in
1/4 Beautiful day -
Richard Helgason came and
cut 3 acres of wheat for us
today. Pa and I cut and
put up 170 sheaves before
Richard came. and after
he came we put up 1046
more making a total of 1216

- 15 Wet all day not doing any thing. I swept the Church
- 16 Met in the P.M. Quarterly Meeting today and tomorrow Pa and Margaret went out to Toledo for to see Dr. Cornwell
- 17 Beautiful day Rev J. C. Slater preached our Quarterly sermon
- 18 Beautiful day. Council put up 34 2 sheaves of mig proof wheat - Finished binding wheat today Had 185 4 sheaves of mig proof and 23 1/2 of Scotch making a total of 41 6 6 Drew in 7 loads of wheat in P.M. Henry went to the Halls and sold two rails of plums for 3 1/2 ^{to repair}
- 19 Wet in the morning Henry and I were pulling peas in the afternoon - Pa and Rosa took 3 rails of plums to the station and sold same
