It was a fine day we worked in the bush all day Ada went to church with the children

29 It was a ruff day we started to clip some of the cows

It was quite a nice day I went to spencerhill and got some feed & 1 cwt of flour and over to the factory (mutine) in the afternoon and over to the church in the evening we killed the beef

30 It was quite cool I took the bull & calves back to Jud & Archie and Harry & I went up to the hall to a meeting about the beef

31 It was quite stormy Ray & I went to spencerhill with the car we clipped some of the cows & went over to the corner Mother was here
