

Sunday April 16, 1922

Roy and I went to Church in the morning. The others stayed at home.

The day was fine.

Monday April 17, 1922

Kent delivered to the Bay and round the Townline with the two Colts Lloyd and George.

I delivered by the Club with Dick and took a roll of barbed wire and nails and staples for the pasture fence.

It rained heavily last night and this morning and was cloudy the most of the day.

The roads are bad.

Kent worked at changing the fence and gate in front of the lawn.

Tuesday April 18, 1922

Kent delivered mail to the Bay and round the Townline with the Colts Lloyd and George and I delivered by the Club with Dick.

After coming home Kent dished the garden and worked at anchoring the fence posts in front of the lawn.
