227 TO COME

**A Blood Current of Vital Richness,**

with a sufficiency of oxygen-carrying hemoglobin, is the special need in profoundly anemic and chlorotic states. **Pepto-Mangan (Gude)** efficiently meets this urgent indication, by furnishing immediately absorbable iron and manganese in bland, non-irritant, organic combination.

Weather

Temp.

Cold & rainy not  
much but spitting rain  
all day. Girls had to wear  
their winter coats & Mittens  
John took Mella & Maudie  
went for her. Mark was  
over & helped John fix the  
closet sills. John has been  
down to Shed's. Rose Scott  
or Foy came & Aunt  
Belle. Maudie made her first  
batch of Fried Cakes
