17 DAYS PAST

349 TO COME

May 11, 1907.

Dr. J. M. Floor, Petersburg, Ohio, says:

"I am grateful for the bottle of your **Pepto-Mangan** (**Gude**), and I am well pleased with the results. I have used it freely for years, and I always feel confident of good results when I prescribe it. I use it in all cases of anemia, and where there is blood poverty, and a tonic is needed."

Very cold & blustery all day
John drew two loads of
gravel. Maudie sat up all
day, Mella is better but not
up. I tried out the rest of
my load. my head is
terrible. Mr. Long brought
us some bread from Aylmer
