195 DAYS PAST

Sunday

171 TO COME

A Clinical Reminder.

We have frequently referred to the complete compatibility of both arsenic and strychnia with **Pepto-Mangan (Gude)**, in any desired proportion.

The following \mathcal{R} is especially indicated in "Grippe," Prostration, Weak Heart, etc.

\mathcal{R} Strychnia Sulph. (Gr.0.02)

Pepto-Mangan (Gude). (Cc.330—original bottle) gr. $\frac{1}{3}$

M. Sig.—Tablespoonful after each meal. Children in proportion.

Weather

Fine

Temp.

Wellbut I went to church twice had a fine sermon. A man by the name of Smith preached. John was sick yesterday but better today. We turned the Gilley cow out for the first time since she was sick to night.
