

Tuesday, June 18

Weather - very warm

Douglas cultivated then took the tractor apart.

men were hoeing mangles to-day.

Gordon Scott here to-night to arrange for some haling to be done.

Then we all went to Richmond Hill.

Wednesday, June 19

Weather - very warm with a heavy thunder storm about noon.

Douglas went to Richmond Hill for repairs before dinner, Jess + Will went to Katchiff for load of saw dust. Norman scuffled mangles in morning.

I spent the afternoon down home.

had two cows killed to-day

thru lightning we expect  
Douglas went down to Mr Tooley's to-night.  
2 hens hatched 16 ducks to-day.

20 - 4 died
