

tried to telephone him to night, but he wasn't home. Alan
 Lane came in before Mr. Ewen left for Dad. to look at his man
 He is afraid she has an attack of asar毒症. Crank went down
 town with Aunty Alice this afternoon and had two teeth
 out. Frank went down to the Women's Institute dance to-
 night and I went skating on the pond I was surprised to
 find it so good, as it has been very soft all day, but this is ^{hard} ~~is~~

Saturday January 18th

Frank went over this morning and finished helping
 John Gumbury cut up the spruce tree. Dad, Tid and
 I drove down to Sam Lewis and gave Alan's mare a
 bath, she didn't seem very sick. When we got back
 I went over to Martin's to see the bunch of chickens
 they had all ready to ship to Madison Square Gardens this
 afternoon. I also went down to Grandview to telephone
 Ned Elliott but he wasn't home. This afternoon Dad
 finished cleaning a couple of chickens he killed this
 morning and Frank finished making a crate to
 weigh sheep in. We then brought the scales over from
 the old barn and weighed the three rams. Combs was
 sold to Ned. Heay weighed 87 lbs and the other two

100 & 105. I went down town to night and called up
 Ned and Mr. Ewen. Ned told me to go ahead and sell
 the old ones if I could get any more out of them. But
 when I got Mr. Ewen he told me he hadn't been able
 to see the man that he was buying for so said I had
 better keep them on the chance of him taking them. I was
 in at Jimmy's on my way home. Aunty is very grieved
 over the cutting down of the old poplar tree in front
 of the old Mrs. Bayley house. It was the largest tree
 of its kind I ever saw and one of the most beautiful
 trees in town and is far older than any one living can
 remember and the trunk was round as could be. The
 weather is still very mild and spring like. Didn't forget

Sunday January 19th

Frank went down to Sunday school and I went
 down to church this morning. Dad has felt well enough
 to do chores to day. Crank was to have played the organ
 this morning but felt too sick. She has felt miserable
 since having her teeth out. Aunty came over to dinner
 with us. I went down town this afternoon and Mary
 and I went over to see Miss M. Queen. Mary &
