to London in morning. It rained too hard for
prayer meeting but Mr. Lugsoun was down.

Sept. 5 - Evening. Ma went to Brome. I fixed
my old dress. Mrs. McKay & Ella came in
afternoon. Footing stockings. Ada Johnson
& Edna & Laura came up to here for tea. Miss
English here for tea. Ella W.C. came on
evening. Practicing after tea. Mr. Johnson
here a long time talking till nearly 10.

Sept 6th - Washing fannels. Girls pick-
ing plums. I went to help them. Net broke
down on 2 limbs & went to the ground
did not get hurt. We had corn for dinner
& I was eating away when all at once
some got in my tooth & made it jump
with toothache, it was terrible I went
to bed to cure it, but it did not stop that
day. Annie wanted me to go to bed for
all night that night but my tooth was
too bad.
