

came back they thought they would
go so Grant got the buggy turned
around & they wanted me to get in
but I wouldn't so they got Annie in
Max Jimmie Solarent E.W. & me Sarah
had the two Brothers behind. We
all shook hand & said got by. Our
folks were away & they got home before
the plow went away so they thought
they would see the grating but they did
not for we were at the lane gate. It was
just a fore night. It was moon light.
When E.W. & I were going down the lane
going home he through his corner in the
apple tree I forgot to get it coming back.
Before we got half way down the lane why
Max & Grant was going over the bridge.
