- 1 Sunday Frosty weather. Brown came today he and Murdy went out to check Dingwalls Murdy's indenture papers were signed and mailed to Toronto
- 2 Fine day thawing sent letter & papers to F
- 3 Very fine day. Butchered two pigs, had Sam, helping, paid him 50 cts. The woman's meeting was at Mrs M Guss 12 members present I had no offering  
A letter for Murdy
- 4 Cut up the pigs I weighed 163 the other 164 It was beautifully mild until after dark now 8 P.M. wind & rain  
The scholars were delighted with a man who was at the school with a phonograph
- 5 Sat for a while in the morning sewing. The boys took down the furnace pipes and cleaned them, Ben went in the afternoon and shot a hare
- 6 Fine day. I made a kind of a finish on Marjorie's recipe. Pa got 2 lb head at Gustaf's last evening. Maggie Talbot was hired at the school meeting yesterday. There is a good deal of indignation. She did not get her certificate yet and some experience as normal teachers were ignored
- 7 Birdie is full with a quail. Ben is teaching. snowed last night Jimmie
- 8 snowed last night took the cutter to Lake Murdy to the station
