

after dinner I killed two chickens she picked on 7 I one she took she
meats out. I got Will to kill the other two & we dressed them
for Mrs Day 5 3/4. the first two Will took to the store on the hill
my school the children guarded the cows. we drew two barrels of
he went after coal Arthur to Hexmers. at night I worked the
butter, peeled a pumpkin & a lot of pears & blacked the shoes
Sat 17. the children guarded the cows. night & morning Marjorie
went to Egleton. got Gordens shoes & stockings. started quilts
early. took 7 lbs 1/4 of butter & two doz eggs @ 27 ps doz & two chickens
5 3/4. got a stalk 45. sugar 25 candy 5. biscuits 10 Gummies 13
electric oil 25. took 2 doz for Hammi. I swept & cleaned both rooms
made a cake & four pumpkin pie killed & dressed a black pullet
for supper. scrubbed all the boards swept the yard night before
carried two pails of water from the school house boiled 4
pots of mush milked the cows fast. as Will came in separately
Hammi gave us some peaches & green tomatoes

Sun 18 dreadful hot like a day in summer. the children went
to church Marjorie could not get her shoe on for her corn
Will Wells girl & their teacher to Wells. the preacher went to
Bella Montague. 8 weeks ago was Pauls last Sunday here
Arthur went to the brick church. & in the evening took Hammi
& Minnie Marshall to Bawes church Kate & Frank here in the evening
Mon 19 looked like rain & did sprinkle Marjorie went up to George
after a load of wood I went down to the school house for two
pails of water after she brought the load she went down &
guarded the cows until noon I unloaded it & put it on the
barn after dinner we went up & got a load & I stayed in
Maqqies until she came back we got another load & I
came back & Mrs Buger was here when we came back
they were drawing corn to the barn in the barn / wind
Marjorie went after another load of wood cold much east

Tues 20 that Buger went over there for dinner. the children
guarded the cows until near eleven. then we got an
early dinner for they are going to Drumsmonds after
her death & a bus of mine. I came back by George Hillsides
& got 4 bushels of apples Will & Arthur are away making cider
I carried 11 pails of water from the creek. I churned & guarded
the cows on the yard. got a lot of the wood on the barn done
the night chores before they came home wood cart but
not so cold as yesterday

Wed 21 cold east wind we drew two barrels of water
then Marjorie went to guard the cows. I just got a pot of
mush on the dishes or separator washed or sweeping down at
Mrs Mc Credie came for dinner. just before she went Jane
Buger came Lilly Gubbel brought her. Hammi away
collecting. Will & Arthur over to Karl Hexmers Bells
came back from Beasley

Thurs 22 Jane went over to Wells for the day. Minnie Marshall
called on on her way to Wells in the evening they all came over
with Jane. I churned. had 5 1/2. took over the box for the
potatoes after I fixed it & peeled the pears for preserves
Friday 23 Marjorie guarded the cows Jane peeled the pears
before she went to Kieckinger took the barrel over for my
apples we took the apples over I carried over a lot of them
Will loaded up two bags of wheat in Lake in it Hippawa
to get chopped

Sat 24. I canned up the pears & gummies. canned up the
peaches that was left. made 3 apple pies gingers cake
swept both rooms & cleaned them & boiled pig feed
Marjorie swept her room & front room & guarded the
cows. I churned & made grape tarts
