If partially prepaid, the letter will be forwarded to its destination and double the deficiency charged on delivery. Letters mailed at any office for delivery at or from the same office, provided that the office is not one at which free delivery by letter carriers is established, are charged 1 cent per oz., and must be at least partially prepaid; otherwise they are sent to the Dead Letter Office. Letters of this nature mailed at and for delivery from an office at which there is a free delivery by letter carriers, are liable to 2 cents per ounce. All postage must be prepaid by Postage Stamps.

Post Cards.—From any place in Canada to any place in Canada, or to the United States or Mexico, 1 cent each. British and Foreign, 2 cts. each.

Private Post Cards.—The face of a Private Post Card may be used for advertisements, illustrations, etc., provided that a clear space of at least ¼ inch is left along each of the four sides of the postage stamp, and a clear space 3½ inches long and 1½ inches wide reserved for the address at the lower right hand corner of the card. Private Post Cards must not exceed a size of 6 inches in length by 3½ inches in width, nor be less than 4 inches in length by 2¾ inches in width. Cards exceeding these limits are treated as insufficiently paid letters. The words "Private Post Card" must be written or printed on the face of private post cards addressed to places outside of Canada.

Pictorial Private Post Cards which have communications on address side.—Cards which have the back covered by a picture, and one-half of the front to the left of the add ress space reserved for written communications, are admitted as post cards when addressed to places in Canada, the United States, Mexico, Great Britain, France, Switzerland, Italy, Austria, Montenegro, Persia, Roumania, Belgium, Congo Free State, Denmark, Danish West Indies, Egypt, Luxembourg, Norway, Sweden, Netherlands, Hungary, Crete, Hayti, Germany, Portugal, Bulgaria, Transvaal, Orange River Colony, Australia, New Zealand, Holland, Dutch East Indies, Panama, Siam, Bosnia-Herzegovina, Japan, Paraguay, and Tunis. The rate for Canada, Mexico and the United States one cent, and for the other countries two cents. A few of the countries mentioned above do not yet forward the cards described at post card rate, although they have agreed to accept and deliver such cards coming from other countries prepaid at that rate.

The postage rate for letters of 2 cents per oz. is applicable to correspondence exchanged between Canada and the United Kingdom, and between Canada and the following British Possessions:—Aden, Ascension, Australia, Bahama Islands, Barbados, Basutoland, Bechuanaland Protectorate, Bermuda, British States in Siam, British East Africa, British Guiana, British Honduras, British New Guinea, British North Borneo Company's Territory (including Colony of Labuan), British Agencies in French Settlements in India, British Solomon Islands, British Somaliland, British Postal Agencies in China, viz.: Amoy, Canton, Chefoo, Foochow, Hankow, Hoihow, Liu-Kung-Tau (Wei-Hai-Wei), Ningpo, Shanghai, Swatow and Tientsin; British Postal Agencies in Morocco, viz.: Alcazar, Casablanca, Fez, Larache, Marrakesh, Mazagan, Mequinez, Mogador, Rabat, Saffi, Tangier and Tetuan; Cape Colony, Cayman Islands, Ceylon, Cyprus, Egypt, Falkland Islands, Fanning Island, Fiji, Gambia, Gibraltar, Gold Coast Colony, Grenada, Hong Kong, India (Brit.), including agencies at Bahrain, Guadur, and Muscat, and Gyantse, Pharijong and Yatung (Chumbi), in Tibet; Jamaica, Lagos, Leeward Islands, Malay States, Malta, Mauritius, Natal, Newfoundland, New Hebrides, New Zealand (including Cook Islands), Nigeria, Norfolk Island, Nyassaland Protectorate, Orange River Colony, Papua, Rhodesia, St. Helena, St. Lucia, St. Vincent, Sarawak, Seychelles, Sierra Leone, Straits Settlements, Soudan, Tobago, Transvaal, Trinidad, Tristan, D'Acunha, Turks Islands, Uganda, Zanzibar.

Patterns and Samples of Merchandise and Goods for sale, not exceeding 3 lbs. in weight, may be posted in Canada, to be forwarded to any place within the Dominion, on prepayment by Postage Stamp of a rate of 1 cent for each 2 ozs. or fraction thereof under the following regulations:

Packages of Samples and Patterns, addressed to any place in Canada, may be registered by affixing thereto stamps to the value of 5 cents in addition to the postage rate, and provided such packet be handed into the Post Office for registration.

Patterns or Samples must be sent in covers open at the ends, so as to be easy of examination. Samples, however, of seeds, drugs, &c., which cannot be sent in open covers, may be enclosed in bags of linen, or such like material, fastened in such a manner that they may be readily opened, so that the officers of the Post Office may be able to satisfy themselves as to the nature of the contents.

The packet may bear on the *outside* the address of the sender, in addition to the address of the person for whom it may be intended; and also a trade mark or number, and the price of the sample enclosed; *inside*, there must be no enclosure but the samples or patterns themselves.

The particulars, however, of the trade marks, numbers, and prices may be marked on the articles themselves instead of on the outside of the packet, at the option of the sender.

The charge for Registration on all classes of matter, in addition to the postage, is 5 cents.

Both the Postage charge and Registration fee should, in all cases, be prepaid by stamp.

Registration is not an absolute guarantee against the miscarriage or loss of a letter: but a Registered Letter can be traced where an Unregistered Letter cannot, and the posting and delivery or non-delivery can be proven.

In case of the loss in the Postal Service of a registered article posted in Canada for delivery in Canada, the addressee, or at the request of the addressee, the sender, is entitled to an indemnity, which in no case shall exceed twenty-five dollars, or the actual value of the lost registered article when the same is less than twenty-five dollars, provided no other compensation or reimbursement has been made therefor.

Postal Notes.

Postal Notes have been placed in the hands of all Money Order and Postal Note Offices in Canada. They offer a convenient and safe means of transmitting small sums through the mails. Canadian Postal Notes are payable only in Canada and the United States.
