

May 19th. Hoeing new Straw-  
berries

May 20th. Went to Brantford  
for a picnic a very  
warm day like summer

May 21st + 22nd. Hoeing  
strawberries. weather  
turning cold

May 23rd + 24th + 25th Fine  
bit cool. hoeing strawberries  
etc

May 26th. Planted out 1800  
tomatoes but turned windy  
& cold so <sup>we</sup> stopped. and  
continued hoeing strawberries

May 27th Sunday. Fine &  
cool must have been  
nearly frost last night.  
thermometer 44 tonight  
at 9 o'clock.

May 28th. Cold + cloudy  
planted a few more  
tomatoes temperature  
45° at 6 P.M. tonight

May 29th. Some warmer  
put out 4000 tomatoes

May 30th. had a light  
shower in the night  
put out about 2000  
tomatoes today.

ground in good shape  
since the showers

May 31st Finished  
tomatoes and put  
out 10000 peppers  
warmer today.

June 1st. Real warm  
today Planted cukes  
& another 5000  
peppers.
