

September, 1926.

7. Tuesday. Lovely day.

Ella & Vera spent the whole day at the Exhibition and stayed for the evening performance "Arabia" which was very good.

8. Wednesday. Fine day.

Mrs. Davison took Vera, Ella and Mrs. Ward all over the city today. We had our dinner in Eaton's. Walter & Aubrey helped to thresh at Addison Reists this afternoon.

9. Thursday. Rain this morning.

Cleared up fine this afternoon. Mrs. Davison took Vera & Ella downtown this morning and went to the Pantages Theatre. The picture was "Tulorn River" by Zane Grey and the vaudeville was also good. We left West Toronto at 3⁰⁰ p.m. and Ella got back to Elmira around 7 o'clock. Walter shipped hogs at Elmira and went to Ketchener with Leon Wagner and got Ella at Elmira tonight.
