

16 Bored the pieces for a rack for the sheep fine day

17 took care of the cattle from not very well

18 Rev W Matthews preached this morning instead of 10
Delong Rev W Dunlap preached at 3 P M

rain 19 rain most of the day snow is going very fast

20 snow all gone the roads is bare

Snow 21 Snowing & very stormy this morning cleared up at
noon I went to Gonavaque to the annual meeting
of the Riding Agriculture Society was re-elected President

22 Ad went with Walter McKil to help to get wood for his
mother in the 6 concession very heavy rain about
10 o'clock for an hour or two I worked at the frame of
the back door of the Barn warm day

rain 23 Ad got such a weting yesterday he did not come for down
any thing fine day with showers

24 finish the north barn door snow from the South
west this afternoon Mary Beatty came up ^{at 5} ^{Express}

25 Rev W Dunlap preached this morning & Rev W Palmer ^{made my raft}
at night I took W Dunlap to Fairfax with the slaughter

26 very cold day Ad chipped some wood at the door
David came from Delta to night

27 Doved & Ad went to the station Doved got his
snow instrument Ad got his sugar & little snow

28 Doved went to work for V. Kendrick
Ad went out to the 9 concession to see if
there was any plundering could see none

29 went to the old school house & voted
for D. F. Jones W. Friedenberg & him
ran for the House of Commons stormy
day snowed about 5 inches Doved & Ad
went to Mallory town then to Fomerville & Delta

30 Doved & Ad got home to night W. Jones is elected
with only 3 of a majority great rejoicing
in Gonavaque all is gone from these parts

31 Ad cut some wood at the house Doved
to Delta took the Slaughter Besse wood
they took the Meladum with them
