

pa was angry at ma for staying away  
so long for he was getting ready to go  
to Iceland on sunday. Sunday rather  
cold had a frost. Xamud I went out  
hunting things to eat in garden  
brought in some corn & we toasted  
it before we went to Sunday School.

The Sunday School did not go in on  
till after baptisms & I da & I started  
to go down but we only got down to  
Dolands corner here it was all  
over with. May was in his buggy  
with Will Gyce. Will Spear was  
also there with his horse & buggy.  
I did not stay to church but Xamud  
Bridnick & I da came home we met  
the folks in buggy they stopped to ask  
ed which was the way to Bronte so
