Any Hemolytic Process,

due to toxic or metabolic causes, with destruction of the albuminous elements of the blood, requires prompt and direct attention. Pepto-Mangan (Gude) reconstructs old, broken down red corpuscles and creates new ones, without disturbing digestion or causing constipation.

Weather

Temp.

Warm and thawing a fine day. Eugene was here for dinner. Papa went with Dr. Augustine to m<sup>e</sup> Gaggert. Auntie Cline came out with Dr. and stayed for dinner. Pain-King, Ira J. Ribble, Fred Lee, Chas Young. Pa went to mill, drew manure and one load of wood.
