SEPTEMBER SATURDAY 8 (251-114) 1923

Cloudy day around home. I took the back spring off the car and put a new bolt in it in the forenoon and put it back after dinner and did some fixing up on car balance of afternoon. Geo Gardiner and I over to Office awhile pretty late tonight

SUNDAY 9 (252-113)

Fine in forenoon we did not get up untill late. It rained hard in the afternoon around home all day. I did some writing in the evening

SEPTEMBER MONDAY 10 (253-112) 1923

Cloudy day I went down to Charlie Hartleys and got him and we measured off his lot from the Gray lot in the forenoon I cut the burdocks around the lots in the afternoon and went down to Geralds Mamie and the kids went with me we had our supper there and I drew Ossies car to the Bay to the garage I took Ossie home and got Mamie and kid and came home Archie Elliott in for a while tonight I got the shares from Connelly today

TUESDAY 11 (254-111)

Fine day I went up and got George Gardiner and Tom and I and Jim Simpson went down to Gananoque to see Andrew Grew he was surveying out on McMinches Point we came back in to Gananoque and had our dinner and came home in the afternoon. Mamie went down to Dan McConells with Sam Gardiner to W. A. meeting I played with the kids
