

August 2 I took grist <sup>up</sup> <sup>1571</sup> to Cedar Grove Mills  
3 M & W drew Steels hay I & W. Cut barley  
in east half of field east of dam Pm. W fine  
3 I & W finished cutting barley this morning  
Dane raked field behind Cider house Cocker  
till noon W. helped D D thresh Pm I & Dane  
Cocked barley Pm I & I brought home grist  
this evening W. very close. looks like rain  
4 all helped B C draw in barley W. very hot &  
close & sultry. Thunder shower went over this  
evening. rained a few drops here  
5 I & Dane drew in barley raskings behind Cider house  
1 load this morning. Then I helped Flavins set up  
Threshing Machine at his Place till noon and  
until Pm then I went to Whiterock & got  
cut shod W helped C B thresh W. fine. Clear  
Sunday & went to Meeting at Altona remarks  
& sermon on St John 9 C by B C Went to  
M N's after service W. very warm & dry  
7 Drew 10 loads barley out of field east of dam  
8 Threshed at Flavins with our Machine <sup>W. clear</sup> 246 lbs wheat  
& about 45 barley W. fine Clear pretty warm  
9 Drew in 3 loads barley which finishes it Draw  
Cut & bound about an acre oats in NW corner  
field Pm. W. fine Clear  
10 I & Nancy went to Belford this Morning then I helped  
W plow fallow south of lane W. warm. dry  
11 I killed a sheep this Morning. Plowed till noon  
I & Dane drew in load of barley raskings after dinner  
then plowed till supper. went to B O after supper  
W. close. a little bit of rain this evening
