MON. JUNE 6, 1898

Wea.

I rose and made the fire
we then had breakfast
The boys went to school
The men were at the ^{store} ~~mas~~
I was in the garden ^{ing} ~~wee~~
in the forenoon, and in the
afternoon I was doing
some mending,
Gas Mculloch was here
helping the men.

TUESDAY 7

Wea.

I rose early and after we
had breakfast, I attended
to the house work and then
I was busy out side till noon
after dinner I cut out a
pair of pants for James
and sewed at them but
I did not get them quite
finished, as I had some
other work to do out side
