

Thursday June 2

Weather. Very fine.

Churned 46 lbs butter in morning

18 ducks hatched (18 eggs)

men were spuding thistles

Food + half of straw + half load hay
attended shower for Marjory Manafield
at night very good turnout

Jim Allen ran over a man with truck
loaded with 5 ton coal, not his fault
Fred patched roof of little barn

Personal Income Insurance

Friday, June 3

Weather Fine and warmer East wind

Load hay went away first thing

worked in garden most of day, went

on the south trip for Les. at noon

planted corn cucumbers + tomato plants

in garden at night

Jim Atkinson came in for a little while

at night

Men spuded thistles all day
