## FISSURED NIPPLES.

Subnitrate of bismuth, mixed with olive oil, or lanolin, will cure stubborn cases of fissured nipples. It relieves pain and need not be removed when the child is nursed.—*Medical Summary.*

**Pepto-Mangan (Gude)** is a neutral organic combination of iron and manganese. It builds up and enriches the blood.

A lovely day. Like dummer  
I went to Ayler this fore noon  
& got some boxes of Mrs Lamber  
to pack the bees in. R. H. Linsay  
was here & sold Dad a wind  
mill & pump. Had a gipsy  
selling cloth. Eric Abell  
was here for tea & spent the after  
noon. Maider & Andrah Davis  
was here for tea & the evening  
ledge & Mrs Davis have gone to  
A. Thomas. Murrey for things  
was here for money for the red  
Cross. Maider was over this evening  
to see Mrs Cox. John ploughed Maider 5

I was in to see Mrs Gills
