MON. APRIL 11, 1898

Wea.

After we had our breakfast, and I had attended to the housework, The boys and I gathered up the brush and burned it and after dinner George, S. D. and I went to Brampton I got some Dutch Sets to plant, it was near dark when we got home. Mother and I made the Mission block

Ther.

TUESDAY 12

Wea.

Again I rose early and went down to Mandells to do some more sewing. I am to help Mrs Mandell make a dress for herself. I was there all day and came home at night. I got a letter from Glorrie McBellock.
