June 10th 1869

S J McCurdy Elias Brown
& C J Laffy fence receivers
met on the line between
Summers & Long and
traced a line shown by
John & George Summers which
they said was the old line
shown to their Father by
John Laffy many years
ago as the proper line -
After staking out the line
they therefore receives divided
the portion to be fenced &
apportioned 9 Chains 4 1/4
Links for Summers to
build commencing
at the front of the lot running
South to a stake planted
at a distance of 9 C 4 1/4 L

James Longor is to build
a fence from the stockade
as before described and run-
ning south of C 41 1/2 Links
