If you have a friend with a Cough or Cold, tell him to try Hagyard's Victoria Balsam. He will thank you for your advice. The price is only 25 cents.

Wives of great men oft remind us
 We should pick our wives with care,
 So we may not leave behind us
 Half our natural crop of hair.

This is to certify that I have used Hagyard's Pectoral Balsam in my family for the past five years, for Coughs and Colds, and can with confidence recommend it for the same.

R. BALLANTYNE,
 Agent Guelph Mercury.

When the kidneys fail to do their work the Victoria Buchu and Uva Ursi will move them into action.

A pickpocket taken with his hand in some one else's pocket endeavoured to invent all manner of impossible explanations of the phenomenon. "What's the use of your trying to lie about it so clumsily?" said the magistrate, benevolently; "haven't you a lawyer?"

To guard against fits—buy ready-made clothing.

Old Phineas Rice was one of the quaint types of the itinerant Methodist preachers. He had a hard patch to cultivate once, and when he made his report to the Conference following he reported the church "looking up." The Bishop presiding expressed his pleasure, but asked for an explanation, because no one expected success in that parish. Dr. Rice was equal to the occasion, and added, "Well, Bishop, the church is on its back, and can't look any other way." There was a roar of laughter all over the Conference.
