161 DAYS PAST

SUNDAY

205 TO COME

The Tonic Trio.

At times a suitable combination of iron, arsenic and strychnia seems to give better results than when these agents are prescribed separately.

Rx. Liq. Potas. Arsen. (Cc. 4.0-8.0).....3i-3ij

Strychnia Sulph. (Gm. 0.02).....gr. 1/3

Pepto-Mangan (Gude) (Cc. 330, Orig. bottle).....3xi

M. Sig. Tablespoonful after each meal. Children in proportion.

Weather	Looked like	Temp.
	<p>rained all day, &amp; it is raining to night. Helen &amp; the girls was out for supper after Sunday school. Cecil was home to day for a little while. The fish was over to Mr. Lopes &amp; John was there to. Girls went to church. We have over sixty chickens.</p>
