

Wednesday, December 14

Weather, Fair & cooler

Eggs - 50

Was down to see how men were getting along wiring the church in morning and again in the afternoon to help put up platform for entertainment

Norm went to city in afternoon

Lertie went to practice at night

Thursday, December 15

Weather, Fine at first colder turning cloudy & like storm by night
Eggs 47 strong east wind all day

Fed went over to Jim Athinsons to get saw frame in morning and then men drew manure in spare time
Lertie & I went to city for the day Laura went along with us
