

Friday February 25th

Frank and I hauled out manure all day and got a strip of the potato ground covered. Dad went down to Aunt Sus dinner and went up and read to Aunty Maude this afternoon. Mary & Erak went over to Mrs. Hamburgs where the Guild was meeting. Uncle Wad called up at noon and asked me to bring Mrs. Woodson's key over as someone had broken into the house. I went over and we boarded up the hole in the door where they broke the glass to get in. They had pulled their pants pretty well but I don't know how any thing was stolen. Dad's heard that Miss Newell fell down this afternoon and broke her hip and that Jimmie's kid threw Bill this morning. Colder to day and blustery.

Saturday February 26th

It has been snowing pretty much all day and quite hard this afternoon but it has been quite mild. I just did chores this morning and Dad & Frank hauled up a couple of loads of wood. This afternoon I didn't go back to the farm till about quarter as Mary wanted me to wait till she went down town but when she saw how bad the storm was she decided not to go. Mr. Zealand has been wanting to go home all day but Gordon wanted to hunt this

afternoon with Meand Manny so they went to night on the seven o'clock car. The boys all come over to night except two and were covered with snow. Windy

Sunday February 27th

Mary and I went down to Sunday school and church this morning and Dad came down and drove us over to the farm for dinner, at least he drove Mary over but I stopped off here to shovel the snow. This afternoon Mary and I drove out to Frank's room for orchestra practice. We took Frank as far as Bill Donald's and he went in there to see the girls and find out how old Bill was as he fell off the roof of the house last night and hit on his back on the cement step but didn't break any bones. We had quite a practice and didn't get home till nearly six. We have to play at a U. F. O. Concert on Tuesday night. Frank went down to Aunty's for tea with Mark and they went to church, so Dad had most of the chores to do. Mary & I spent the evening at the farm where I went to sleep. Very soft, sleighing us good.
