

January 1891

It will not be brought up until Friday
at the Annual Meeting

26 The Lodge met tonight and appointed
new officers. Got today at Willis's 1 gallon
coal oil 25. got 5- charged 1 pan bread

27 Dull lowery day. Jimmie & Murdy brought
some load of hay from village
farm and are after wood to Uncle
Murdy's McKillop place. They got
load of straw & 1 of wood yesterday

28 I was at prayer meeting and stopped to the
reading of the S. S. Lesson

29 Dull day. There is an account in today's
papers of an explosion in a coal mine
in Pennsylvania. where more than 110 men
lost their lives

30 Rained in the night. High wind today

31 Far went to the Gore yesterday intending
to go to Montreal today. The Annual Meeting
came off last night. I was not there
not very many to sign the Petition

The papers had accounts of two noted men
Charles Bradlaugh M.P. for Nottingham ^{imprisoned}
died this morning. he was a kind of unbeliever
and Secretary Hindon U.S. died at a ban-
quet in New York last night. "such is death"
Aunt got medicine 50cts syrup 25- 1 pan bread 25

I got 1/2 lb tea 25. sold 16 eggs. It is now
11 P.M. and snowing & thawing. Some
of our folk were at the skating
rink Aunt is getting along slowly
she sat up for a while today

John A got a telegram that Byron
McDonell died in Toronto and will
be buried here Monday

* It was on the 29th that Bradlaugh died
