FEBRUARY WEDNESDAY 8 (39-326) 1922

very cold today I got up early and went up to Ossies and sawed wood all day very tired tonight did not get home until quite late

THURSDAY 9 (40-325)

fine and considerable warmer today I got up early and went up to Ossies and sawed wood in the forenoon we finished at noon. Ossie and I loaded the outfit after dinner and I came home then to Office until quite late tonight

FEBRUARY FRIDAY 10 (41-324) 1922

fine day. I chored around in the forenoon and did some writing Ossie brought down my sawing outfit after dinner and I helped him to load a load of lumber Erie and I went down to Geraldo and got eight sacks of Oats with Horse and cutter. Quite late when we got home. over to Office the balance of evening

SATURDAY 11 (42-323)

rained quite hard in the forenoon I groomed up ignajo nearby all day. Wm Bracken filed my saw for me in the afternoon went to Office until quite late tonight
