Mostly cloudy some sunshine also a few drops rain and a little shower in evening. I plowed some to 5 in morning then we topped and harrowed turnips and took in 2 loads before dinner. P M Willie went to Skeels thrashing and I topped & harrowed some more turnips and took in 3 loads. Father came up A M with I Joe tax schedule I drove him down after dinner. Mrs Peter Clark brought back drain scraper and got land of 2 in August.

Saturday

Passing rain clouds with occasional slight rain flurries in morning gradually cleared off fine sunny P M but very windy. There was a rainbow in the morning. Willie went to Skeels thrashing but came back about 10 o'clock as the machine broke. We finished turnips today 4 1/2 loads turnip box. Willie went to station

280

with Gordon Irvine (who came up to tell him) for the pure bred white hifer.

Barrie

I thought at D. D. C. sale paid freight 70 cts
