

Jan 21st. motored to Hamilton
for some things Highway
good but Hamilton streets
cut up badly.

Jan 22nd. Thawed a little
last night but very cold
again tonight Radio grand
tonight Had Oakland.
K.H. J. + K.F.I. Les. Angles
without out head phones.
Oaklands very plain +
loud.

Jan 23rd very cold this
morning we hear it was
16 ~~below~~ below zero down at Johns.
getting a glass smoothed
ready for the eclipse of
the Sun which is to come
at 9 o'clock tomorrow
Jan 24th up early this
morning Total eclipse

of the Sun starts at
8 o'clock, very badly
disappointed as the
whole sky was cloudy,
all we saw was when the
eclipse was full it was
as dark as night for a
couple of minutes, then
we saw the sun the
last few minutes as
the shadow was nearly
off, could see the
piece of the side of the sun

Jan 25th Sunday, fine
+ mild thawing some
had grandpa after noon.

Jan 26th. Very cold today
guess it will be a
very cold night.

Jan 27th. Coldest morning
of the winter 16 below
