

Friday, June 4

155 DAYS PAST

210 TO COME

The Fastidious Patient,

as well as the rebellious child who ordinarily resist medication, will readily take **Pepto-Mangan (Gude)** without objection, as it is distinctly pleasant to the taste, always well borne, and entirely free from irritant, corrosive, or constipating properties.

Weather

Temp.

a fine day

*I took Mrs. Olive to the cemetery
& Maudie went along. Clarence
& Skinner is shooting my
pigeons wholesale today
Maudie & Mrs. Bingham went
to Aylmer this afternoon.
For Mella. Maudie brought
home a crock of butter that
Mrs. William Smith made
it is fine. John was
drawing gravel. John was
down to C. Thompsons Billey's*
