15 DAYS PAST

351 TO COME

April 27, 1907.

Dr. E. G. Alcorn, Gallipolis, Ohio, says:

"I am pleased to say that in all cases of anemia with resulting symptoms and sequelae, **Pepto-Mangan (Gude)** gives me better results than any other preparation of iron that I have ever used."

May 10, 1907.

Dr. Frank A. Bowden, Cleveland, Ohio, says:

"I have used your **Pepto-Mangan** in several cases of severe anemia in children, with very gratifying results."

Not quite so cold as yesterday,  
fine & Melba was taken ill &  
had to have the Doc<sup>r</sup>. &  
is still worse to night. Maudie  
was better this morning, but  
not quite so well to night.  
Mrs Dance & Aletta was over  
this afternoon. Aletta took old  
Ducky cat home with her. John  
has had shed helping him draw  
draw.
