

April, 1929.

1 Monday. Real April Fool weather. Thunderstorms and heavy rains last night. This morning everything was covered with ice, then it got most terribly windy and was snowing and blowing right merrily all afternoon and evening. Mrs. Edmund Schmitt had a quilting and Ella was there also these ladies - Mrs. Louis Miller, Mrs. Wesley Miller, Mrs. Ed. Bender and Mrs. Solomon Bender. Vernon took Ella & Esther down in the buggy and Wesley brought them home in the Ford coupe.

2 Tuesday. Cold & windy. Snow flurries this p.m. Ella did the washing this morning and Walter took a load of grist to Alma. This afternoon Ella helped to quilt at Wesley Miller's and stayed for tea. Walter & Vernon came down tonight also Charlie Miller and they played crokinole.
