107 DAYS PAST

Thursday

169 TO COME

The Over-tired Business Man,

and the overworked neurasthene, do not require temporary stimulation, but general vital reinforcement. **Pepto-Mangan (Gude)** is especially adapted to the needs of these patients, as it is entirely devoid of the objectionable features of most iron preparations. It is distinctly pleasant, free from harsh action upon the stomach, and does not constipate.

Temp.

A fine day

*Mr White was here
Maudie stayed at Mrs
Belins all night &
went to mill & brought
Maudie home to night.
We washed, John &
Mr White drew hay
this afternoon*
