366 DAYS PAST

Monday

O TO COME

PEPTO-MANGAN (GUDE)

"Pepto-Mangan (Gude) is the ideal product in the class to which it belongs—a scientific combination—and submitted to the medical profession only after the severest tests both in hospital and private practice. Clinical reports substantiate this statement."

Weather.

Temp.

Cold south east wind
& to night it is snowing & blowing
Mr. Fortago has been helping father
all day, drawing hay & cutting
wood. We took Melba part way
over to Eugene, & Al + Co came
and met her. Then Maude
& I went on to Aylmer, then
home. Mariah 13

Tuesday. 30

Snowing & blowing most of
the day. Maude & I went to
Aylmer, some places there
was lots of snow & some
places none. We went with
