

1874

Nov 17 tested the well this morning by putting in the
external pump in the hole took out 40 pails

in 20 minutes we consider that it will do Ad paid
them 26 dollars & 25 cents for what they have done

Ad saw James Mc Mullin he is getting logs for a pump
the ground is thought so that placed at the old house

Ad cut & drew two pine logs
Ad cut & drew two pine logs

Ad went to Brockville for an iron pipe for the well very stormy
day snowed most of it Ellen & Sunset went to Genoaque

the snow is about 4 inches deep this morning Ad got
some shoes on the horses & split some wood

Rev W Cuningham preached this morning & W Sawley at
night

Ad fixed the granary we expect the thrasher to commence
rained most of the day the snow is all gone

the thrasher came this forenoon & thrashed 37 bushel
of wheat 17 of peas & 195 of oats very windy day we

had to cut a hole in the Board door for the road & shute
the door

finished the thrashing had in all 330 bushel of oats
Thompson young & Bruce McNeil helped with these horses

J. Mc Mullin Wallace McNeil. Orwon Sullivan John
Moore & Wm McNeil's men helped fine day

Ad & Ellen went to Genoaque Ad took 1 bag
of wheat & 4 bags of peas & oats John Byes finish-

ed the pump fine day

Ad helped James Mc Mullin to thrash

Ad helped Wm McNeil to place quillie raes
& snow in the afternoon

The Rev W Sawley preached in the morning &
W Richardson at night W Sawley preached

at Dulismain in the afternoon Samuel
Hornhead had a child buried there the

snow is 6 inches deep the slough is run-
ning

cleaned up the barn floor of the oats that
was left on it Ad intends to go to mill

little rain
let the
rain out
Billie came
he went to
to day some
came with
him
