MARCH SATURDAY 24 (83-282) 1923

fine day but quite cold and windy Will Monroughan and I took down the Sherman Norris Engine and tightened up the connecting rod and repacked it in the forenoon and put it together in the afternoon and run it for a while I sold Will Sweet a 15 in Disc Drill in the afternoon for $140.00 Oct 1st 1923 and his old drill over to Office until late tonight

SUNDAY 25 (84-281)

snowed a little all day but some warmer around the house all day. no Church today we went to bed early tonight

MARCH MONDAY 26 (85-280) 1923

fine but turning colder I went up to Barber shop in forenoon and got a shave and hair cut over to Gord Slys for a while in the ~~forenoon~~ afternoon around Office in the evening

TUESDAY 27 (86-279)

very wild day snowed and blowed nearly all day over to Office Mr Munn the Brecival Company man came in in the forenoon and went out in the afternoon very wild tonight
