SUN. APRIL 17, 1898

Wea.

I got up and found this a beautiful day George S. A. and I went to Church. Mr Nixon preached his text was in John XVII 17. It is cloudy this afternoon. James came up for a while. W. Limebeer is away on his wheel for the first this season.

Ther.

MONDAY 18

Wea.

After I had made a fire. I then prepared the breakfast. The boys went to School again after the Easter holidays. I was busy today making a sack for a hot lild for. I got it made all right. it was quite a job.
