

Sunday 10 at home Henry Adelina &
Mary went to Meeting at Wicks
They went to David's to dinner
W. rather cloudy this morning
East wind strong A.M. very clear
P.M. sleet & rain at times, but
covered with ice, good sleighing
11 Boys cleaned a lot of feed Oats and
A. & Henry helped Francis fix one
of his Pumps I & Anne went to
Markham P.M. I is doing pretty
well. Anne has La Grippe is not
very bad W. Milder last night
Ice all off the trees this morning
a little drizzly A.M. a little snow
P.M. Colder this evening
12 Boys drew out some logs that they cut
in old bush some of them were in be-
position to saw we had a dancing
Bree P.M. about 20 hands at together
Herminis were here to dinner David's
came soon after dinner but they did
not bring the little boy W. Sharp was
wind clear, good sleighing

13 Henry split ^{March} wood A ¹⁹⁰¹ went to Clarendon
with Eliza to try to buy some sheeting
for Silo got none they had none cut
they begin to cut in May he get back
at noon. Stone house put up a
National Milk Separator for us
today we can have it on trial on
trial to buy it @ \$80.00 if getting
satisfactions. N. Strong East wind
A M began to snow from East P M
I went to Cedar Grove A M
11. Boy shoveled snow around the house
& took a goat & helped Benj. Kill a pig
A M A took Butter Eggs & a young calf
to Lewis P M N. quite a deep snow
on the ground north & south roads
drifted in places some left snow
all day more or less, pretty much
15 Boy drew some logs to D M. Herman
was here to dinner he exchanged about 40
Bus of Oats for Seed Elias & Joseph
Bunker brought Emma Giebner to
visit they were here to Sup. P M
N. rather cloudy pretty sharp
16 A & Henry helped Lewis draw
sand from Tweedies with team
I went P M to see how Rubama Druggie
is she has been bleeding at A Lungs,
different times, latter
