

The image shows the front cover of an antique book. The cover is decorated with a traditional marbled paper pattern, featuring a dense, repeating motif of interlocking, scalloped shapes in shades of red, blue, and yellow. The marbling is set against a dark background. In the center of the cover, there is a rectangular, light-colored paper label with a thin black border. The label contains the text 'DAILY JOURNAL' in a large, bold, serif font, with '1911' printed below it in a smaller, similar font. The book's spine is visible on the left side, appearing to be made of a dark, possibly leather or cloth material. The overall appearance is that of a well-used, historical volume.

Letters mailed at any office for delivery at or from the same office, provided that the office is not one at which free delivery by letter carriers is established, are charged 1 cent per oz., and must be at least partially prepaid; otherwise they are sent to the Dead Letter Office. If insufficiently prepaid the packet will be forwarded charged with double the deficient postage, provided at least 1 cent is prepaid. Samples, however, of seeds, drugs, &c., which cannot be sent in open covers, may be enclosed in bags of linen, or such like material, fastened in such a manner that they may be readily opened, so that the officers of the Post Office may be able to satisfy themselves as to the nature of the contents.

It is very important to bear in mind that the postage upon letters for the United Kingdom and all Foreign Countries, except United States and Mexico, is calculated by the *half ounce*, and *double* the deficient postage is charged on all unpaid or short-paid letters.

Registration of Letters.

Persons posting letters containing value should be careful to require them to be Registered, and to obtain from the Postmaster a certificate of receipt for Registration.

The charge for Registration on all classes of matter, in addition to the postage, is five cents.

Both the Postage charge and Registration fee should, in all cases, be prepaid by stamp.

Registration is not an absolute guarantee against the miscarriage or loss of a letter: but a Registered Letter can be traced where an Unregistered Letter cannot, and the posting and delivery or non-delivery can be proven.

Insurance of Registered Letters.

Registered Letters posted at and addressed to any P.O. within the Dominion of Canada may be insured against loss for amounts not exceeding \$25. The insurance fee as well as the ordinary postage and the registration fee must be prepaid in postage stamps on all insured registered letters. Miscellaneous Matter.

Miscellaneous matter, described as under, may pass between places in the Dominion of Canada upon prepayment of the rates indicated below. The regulations of the British Post Office do not admit of the transmission by mail to the United Kingdom (or other countries beyond the sea) of miscellaneous matter as such; but a great part of the matter referred to under that head may be forwarded to the United Kingdom and other countries by Book Post.

No packet of miscellaneous matter can be transmitted by mail if it exceeds 30 inches in length or 12 inches in width or depth, or over 5 lbs. in weight.

Transient Newspapers.

When addressed to any place within the Dominion, the United Kingdom, Bahamas, Barbados, Bermuda,

land, and most foreign countries and British colonies, under the following regulations:—

1. The dimensions of a Parcel addressed to the United Kingdom must not exceed 30 inches in length or 1 foot in width or depth, nor must the combined length and girth of any Parcel exceed 6 feet. The dimensions of a Parcel addressed to any country other than the United Kingdom must not exceed 2 feet in length by 1 foot in width or depth.

2. A Parcel must not contain any explosive, combustible, or dangerous articles.

3. All Parcels must be securely and substantially packed and closed.

4. Oils, liquids, etc., can only be forwarded if put up with the same security required in connection with their transmission as samples in the ordinary mails. Fragile articles should be packed with special care.

5. Each Parcel must be plainly directed, and such directions must include the name and full address of the person for whom the Parcel is intended.

6. For each Parcel the sender must fill up a Customs Declaration. On this form the sender will supply an accurate statement of the contents and value of the Parcel, also the address thereof, with signature and place of abode of the sender. The Customs Declaration must be securely affixed by mucilage or paste to the Parcel to which it relates.

Parcels from the United Kingdom or any other place beyond the Dominion will be liable to Canadian Customs duties, and under existing regulations must be examined for the purpose by an Officer of the Customs *in the presence of the persons addressed*.

Rates and limits of weight vary. See Postal Guide, or enquire at Post Office.

Prepayment by postage stamp is required in all cases. Parcels must be handed to the Postmaster; in no case should they be dropped into a letter box or other receptacle for mail matter.
