151 DAYS PAST 215 TO COME

Dr. G. Def. de Bellefeuille—Concluded.

patient from day to day regained her strength, and her cheeks, while not being red, have not that great pallor that was our despair. In a word, gentlemen, I am very grateful to you for permitting me to try your product, and allow me not miss an opportunity to prescribe your product whenever the occasion presents itself."

cloudy & kept sprinkling off & on all day & about half past 4 hours started to rain hard & blow & has been raining hard nearly ever since Maudie & I went to Aylmer & got the little cradle & bee hives I drove in to see Mrs Elvins Stella went with me as far as the corner & went home with Hellen Mariah &

got an ounce of sweet spirits of nitre
