

February, 1926

19 Friday. Cold and stormy. Walter and Aubrey went to Floradale this afternoon and brought home the sled and sleigh from Angus Weber's. We were invited to two parties tonight but didn't go to either as the roads were very heavy. One was at Angus Weber's and the other one at Dick Dowling's.

20 Saturday. Cold. Snowflurries. Vernon and Aubrey cut down a dead tree in the orchard.

21 Sunday. Cold. We drove to church with Enoch's in the sleigh. Rev. Storey ^{a missionary} of P. America gave an interesting talk. Lincoln's called in and left an Aladdin lamp here on trial.

22 Monday. Fair and cold. Walter took Vernon to Elmira this morning, had his dinner at Leon Wagner's and managed to get home for supper. Calls - Charlie Miller, Ezra Miller and Ted. Norris.
