

April 19th Sunday. heavy
rain in the night.
cloudy. Showery & cold
north East wind this
morning also had a
snow storm & blizzard
this evening, about an
inch of snow.

April 20th unloading 3rd
car of manure for hot
beds, weather cold
with east wind. froze
ice this morning.

April 21st Finished
making hot beds &
putting on earth -
cold yet.

April 22nd men hauling
brush. I was weeding
peppers & planted 200
Cauliflower seeds in
8 sashes.

April 23rd Finished hauling
brush. some job-chassis
broken buried today.

April 24th cold east wind
again today. planted
8 sashes cucumbers in
sod. about 700 seed
(S.B. Perfection) also 8
sashes melons. took about
1000 seed. but think we
put too many in. they
say 5 seeds in a sod
is enough.

April 25th Day warm
just like summer, put
out 10000 cabbages
wilted bad. too hot a
day I guess. grows
slant every thing cheap
Lettuce Radishes &
Rhubarb hard to sell.
