

May 4th Very warm 92
in the sun at noon planting
strawberries & transplanting
tomatoes.

May 5th turning cold again
planting Beans & trans
planting tomatoes

May 6th Sunday cool & cloudy
Went to Chedoke Falls!
also Dundas with Hicks.

May 7th. cold this morning
I planted 3 bags Potatoes
20 lbs Beans & 2 lbs Peas.

transplanting tomatoes
watering. etc.

May 8th & 9th. Planting
strawberries & transplanting
tomatoes have about 12000
we think weather fine
& warm ^{cut 4 lbs glass}
on May 9th for the first

May 10th. & 11th. very
warm like summer &
finished planting strawberries
about 9 acres. One patch
in cherry orchard very
dry. Ordered eleven
cars of manure, 6 for
berry covering start ship.
1st of Nov. all to arrive in
Nov. & 5 cars hotted
Jan 15 & 30th July 15th & 25th
& May 10th.

May 11th. Planted Sweet
corn & pumpkins. very
dry now. turning cooler
tonight ^{with} strong winds

May 12th. Very cold north
wind today. light frost
this morning. Started
hoeing strawberries
