Bookellers,
HAMILTON - ONTARIO

April 7th (Monday) arrived home
in Hamilton at 750 this
morning after being in Cal,
since Dec 3rd. Grandpa
Boniface was at the station
to meet us, we took street
car to 84 Grosvenor, and had
a big blow out of a feed,
feeling pretty tired after
being on the train since
Thursday night at 6:50 PM
3 days and 4 nights,
called up Ida who took
us out to Burlington to see
all the folks found them
all fairly well, but Grandpa
who was not very well -
John + Smith have all the
calluses transplanted
