## After All Acute Infections

a vital upbuilding is necessary, to balance the loss from waste of tissue. Food alone is not sufficient, in conditions characterized by distinct anemia. **Pepto-Mangan (Gude)** furnishes an available form of iron for the upbuilding of the vital structure of the blood, and thus aids to fortify and increase the "vital bank account."

Weather

Not very warm

Temp.

Melba & I went to church  
then Maude & Mella & Evelyn  
went to Sunday school. Cecil  
& Clarence was over this  
morning Cecil wanted to  
change some heris eggs.  
Maude & Mella was down  
to Adams Bingham's after  
Sunday school for tea. It  
was their wedding anniversary.  
Then to sing at the
