1864 The 3rd 1864
 Mr James Cameron Island December 1st
 Finding the Area Raining 4th Sunday Light up
 got 5th The B. part of out went up a Barge in
 was too and poor sover she is cleaning up
 the old House Fixing iron & tools and boards that
 scattered about turning the Bed fixed the Kettle
 Took up my short pieces Line & Hoops on 7th Sunday
 where there was a Bees nest on a tree that
 fell down but they got wet and all spoiled
 Ducks plenty and well few snowing some
 Threshing 15 of Buck wheat no boats went the River
 to Day Mr Hill has no light to night
 I suppose since no boats went to Day cherry
 and Mrs Gills is to night Salmon sides open get
 7th Raining Fixing handles in B. M. Fanning stamps to go
 on the cracks of the Gable end of the house
 light up yet 8th Went around the Island
 Windy night east night and to Day water fell and snowing
 9th Light on Cherry Island 2nd Boat passed the
 head of Charles Island 10th East Wind Water Raining
 Hauling up the canoes took one of the logs up a piece of
 night Johnstons Light gone Feeding the cattle 11th Sunday
 snowing and blowing freezing Bad time 12th Threshing
 the last of the B Wheat very cold then freezing some
 the Buck Wheat 13th A change in the Moon & a
 a change in the weather Fanning the B Wheat 3
 Bushels Flows a dying with the cold a good large
 piece of ice made in the Bay But I think it will
 all go away went to the Head of the Island
 took the stone Boat to Break the Roads
 all well food fixed and warm
 the Canoes cut down a plum tree stormy some
 a nursery wood
